Secretary and Treasurer.

We return sincere thanks to Miss Mary J. George for her interest in the library and the generous gift of \$100 the past year. Also to the following persons who have donated volumes: Mr. and Mrs. J. T. W. Mountford, 8 volumes; Mrs. F. S. Messinger and William Lane, one volume each, and to Mr. Edward Messinger for Geographic Magazine. Eighty-seven volumes have been added since the last report, not including books received from the state. In view of the fact that new catalogues are soon to be issued, the work of preparation being now under way, the trustees have avoided the expense of printing a list of new books in this report. Some more books will be purchased and listed in the new catalogues. Thirteen new books have been purchased from funds before given by Miss George and twenty-seven from the \$100 fund, costing \$21.26 for the latter. The remaining books have been bought from the town appropriation, except the ten that were given.

Respectfully submitted,
